PART 1

FUNDAMENTALS

The purpose of these rules is to act as part of the Notice of Race in order to simplify that document and ensure consistency from event to event. To take effect these rules must be listed in the Rules section of the Notice of Race.

TERMS

<i>Shall</i>	Compliance with this clause is required. A failure to do so is grounds for protest or redress.
<i>Should</i>	Compliance with this clause recommended. A failure to do so is not grounds for protest or redress.
<i>May</i>	Compliance with this clause is advised. Failure to do so is not ground for protest or redress.

The notation [DP] in a rule in these General Rules means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification.

ICRA GR 1. FUNDAMENTAL PRINCIPLE OF SEAMANSHIP

The safety of a boat governed by these rules and its entire management including insurance shall be the sole responsibility of the Person in Charge who must ensure that the boat is fully found, thoroughly seaworthy, and operated by a crew sufficient in number and experience who are physically fit to face bad weather.

The person in charge must be satisfied as to the soundness of hull, spars, sails, rigging and all gear. The person in charge must ensure that all safety equipment is properly maintained and suitably stowed. The crew must be familiar with the use and position of such safety equipment. The person in charge accepts that the responsibility for a boat's decision to participate in a race or to continue racing is theirs and theirs alone. Neither these regulations nor any action of the OA in any way limits or reduces the exclusive responsibility of the owner or the person in charge.

The wearing of personal flotation devices is a statutory requirement in Ireland for anyone on board a boat under 7 meters in length and by anyone under the age of 16 on the deck of a boat and is strongly recommended on all boats at all times.

Competitors participate entirely at their own risk, See RRS 3, Decision to Race. The Organizing Authority, ICRA, Irish Sailing and RORC (IRC); their officers, servants and agents accept no responsibility or liability in respect of loss of life, personal injury or loss of or damage to property sustained in conjunction with or prior to, during or after the event.

The ultimate decision on whether or not to race remains the sole and inescapable responsibility of the Person in Charge.

ICRA GR 2. RULES

Except where amended by these rules, the following rules shall apply:

- IRC Rules
- ECHO Class Rules
- The named sections of the World Sailing Offshore Special Regulations (OSR)

ICRA GR 3. ELIGIBILITY AND INSURANCE

To be eligible a boat shall be:

A mono-hull yacht fitted with lying down bunks for two averaged sized adults and adequate internal sitting-down accommodation for four averaged sized adults. Capable of satisfying, without the necessity for modifications, OSR Category 4 safety regulations. This provision does not preclude more stringent safety measures being required for particular races or events by the Organizing Authority.

ICRA has the ultimate authority to determine whether or not a particular boat or boat model satisfies this definition. Entries are accepted at the sole discretion of the OA.

It is a condition of entry for each boat owner to have their boat adequately insured against any risk, including civil liability to third parties and to ensure that such insurance remains valid for the entirety of the event.

ICRA GR 4. MEDIA WAIVER

Competitors give their consent to ICRA and the OA to use or to license the use of their name, comments, photographs and likeness as it sees fit for the promotion of cruiser racing. ICRA and the OA reserves the right to use or to license the use of any images and sound recorded during the event free of charge.

ICRA GR 5. CREW REGISTRATION

Crew racing on a boat may be required to register information such as their name, some personal and shoreside contact details, club affiliation, and World Sailing Regulation 22 Classification status. Additional information may be requested.
